

About SES

SES Companies, established in 1994, is the leading soccer merchandise concessionaire in the United States. While priding itself on knowledge and expertise in soccer, SES Companies continues to grow and leads innovation in all areas of event merchandising including football, concerts, cycling, rugby, lacrosse, boxing, ice skating, political conventions and more. Currently, SES Companies provides innovative on-site turnkey merchandising solutions to over 200 events a year while building and managing multiple e-commerce solutions including USSoccerStore.com, the official online store of the United States Soccer Federation. SES Companies has had the privilege of providing merchandising services to the organizations, facilities, and events listed below.
